Friends^{of the} Milton Public Library NewsLetter

Join the Friends!

The Friends of the Milton Public Library are a volunteer-led nonprofit organization dedicated to supporting the Milton Public Library and its mission. Through fundraisers and community events, like those featured on the front of this newsletter, the Friends raise funds that are not otherwise available through the library's annual budget. This supplemental funding helps provide additional programs, resources, and experiences for our community while also benefiting the library and Milton taxpayers.

This summer, the Friends provided \$2,158 in supplemental funding to support:

- Summer Reading Programs and BINGO prizes
- Dinoman
- Vermont Museum of Natural History
- TAG
- Vermont Historical Society Travel Library
- Summer Science
- StoryWalk

Every dollar raised by the Friends helps make these additional opportunities possible at the Milton Public Library. We are proud to partner with the library and our community to help expand what the library can offer.

Book Themed Basket Raffle

The Friends of the Milton Public Library are seeking donations from local businesses and community members for our upcoming Book Theme Basket Raffle. This popular fundraiser helps support library programs, events, and special projects that benefit our entire community.

We're looking for completed book themed baskets with gift cards, mugs, games, puzzles, blankets, candles, snacks, local products, or other themed gifts. Businesses are also welcome to contribute merchandise, services, or gift certificates.

If you would like to join the Basket Raffle Committee or donate a basket or items, or have questions, please contact the Friends of the Milton Public Library at friends@MPLVTFriends.org
