

June 2026

Friends^{of the} Milton Public Library NewsLetter

The Friends of the Milton Public Library's New Logo!

Thank you to the members of the Friends of the Milton Public Library who attended the June meeting. Your ideas, enthusiasm, feedback, and willingness to volunteer are what make this such a great team. We appreciate your continued support and look forward to working together on future projects and events!

Members voted on the new logo (pictured above). You'll start seeing this logo pop up on social media, banners, shirts, and more!

Stay tuned as we begin to launch the **new swag!**

We are looking for someone with Web Design experience to maintain the website. Please contact us at Friends@MPLVTFriends.org.
